

Citizen Participation Report

Notification

As required by the Plan, the letters were mailed to the property owners on September 19. The letter provided property owners with information about the rezoning request and the staff email address and phone number to ask questions or provide comments.

Results

One property owner emailed with a comment about the zoning. The comments were about a couple of the details of the ordinance, the restriction on services uses along the Avenue the on ground floor residential uses. There was no comment specifically on the removal of the existing overlay to be replaced with the new overlay.

No other comments were received.
